Output

Paste CSV data above to view it as a table.

About This Tool

This CSV Viewer allows you to:

- Paste and preview CSV data directly in your browser
- Automatically view your data in a table format
- Sort columns by clicking on column headers

The tool processes everything in your browser - no data is sent to any server.

Accessibility: This website is designed and developed to meet WCAG 2.1 Level AAA standards, ensuring the highest level of accessibility for all users. Features include high contrast ratios, keyboard navigation, screen reader compatibility, and responsive design. The site supports both light and dark modes with automatic system preference detection.
